Section B: Educational Record

Secondary School

GCSE passes (please list subjects with grades)

A1/AS (please list subjects passed with grades, or subjects being taken)

A2 (please list subjects passed with grades, or subjects being taken)

Further Education (please give name of institution, with qualification and grade).

If you have previously studied theology, detail courses taken, with grades, if possible. (Attaching a full, official transcript of theological work would be best.)

Section C

Academic Year in which you propose to commence studies:

How will your studies be funded? (UK students will normally apply for a local authority grant)

Have you applied (or do you intend to apply) to any other educational establishment?

Outline your goals for your study at Westfield House (e.g., enrichment study, pastoral training towards ordination, Bachelor of Theology degree, etc.)

If you are applying for the pastoral training programme leading to ordination, please explain briefly why you want to do so:

References: a reference will normally be requested from your pastor or bishop. Please give in addition the name and address of an academic referee—this will normally be the head or principal of the last educational institution you attended:

Declaration:

The information I have given is true to the best of my knowledge. I agree to references in support of this application being taken up as outlined above.
